Denny's Opens First South American Restaurant in Chile

Santiago, Chile — Denny's Inc. has entered South America with the opening of its first restaurant in Chile. Located in the Las Condes section of Santiago, the new location is operated in partnership with local partner The Musiet Group. The store is part of an exclusive development agreement to open 10 restaurants in Chile over the next 15 years.

America's diner is always open.™

"Our expansion into South America is an important milestone for Denny's global ambitions. We're excited to bring the 'America's Diner' experience to our new guests in Chile," says John Miller, Denny's president and CEO.

Denny's opened its first international restaurant in 1966 in Acapulco, Mexico. The company operates 1,700 franchised locations in 11 countries and U.S. territories. For more information, visit www.dennys.com.
